Objective

Motivated Software Engineer with 2 years of experience in full-stack development. Proficient in .NET, Angular, and Flutter to build scalable web and mobile applications. Passionate about clean architecture, code quality, and creating impactful software products, especially in the areas of Web Platforms and AI-powered tools. Committed to continuous learning and delivering value-driven solutions. Eager to join innovative teams and contribute to meaningful technology.

Professional Experience

Full Stack .NET Developer   Aug 2024 – Jan 2025
Career 180

Frontend Developer   Jan 2023 – Jan 2024
HPP SHOP

Software Engineer   Nov 2023 – Jan 2024
Scale AI

Instruction & Mentorship Experience

Instructor   Dec 2024 – Jun 2025
Udacity – Digital Egypt Cubs Initiative

Instructor   May 2025 – Present
MEC Academy

- Delivered structured .NET training courses.

- Emphasized practical skills and project-based learning.

Instructor   Jan 2024 – Oct 2024
Code Wave

Mentor .NET   May 2025 – Jun 2025
Middleware

- Provided training in ASP.NET and C# for beginner and intermediate learners.

- Focused on clean architecture and design patterns.

Technical Skills

Backend Development
- C#, ASP.NET Core, MVC, Web API
- Entity Framework, LINQ, SQL Server
- PostgreSQL

Development Tools
- Git, Docker
- Visual Studio, VS Code

Frontend Development
- HTML5, CSS3, JavaScript, TypeScript
- Angular, React, Flutter
- Bootstrap, Tailwind CSS

Other Technologies
- Microservices, OOP, MVC
- Entity Framework Core

Projects

NiyyahFirst - Angular   View Project
Yummy Web App - Angular + Firebase for recipe discovery   View Project
News Aggregator App - Flutter app for personalized news   View Project
Company Management System - .NET Core + Angular   View Project
Mealify - .NET Core + Angular   View Project
Alzheimer's Support Application - Cross-platform caregiver tool   Alzheimer's Support App

Certification

- **HCIA-AI Certification** – Huawei, Issued Oct 2019
- **Flutter Development** – Udemy
- **Full Stack Development** – Route Academy
- **Training** – Information Technology Institute (ITI)

Education

B.Sc. in Computer Science   Obour Academy for Engineering and Technology
Graduated: 2023

Languages

Arabic: Native
English: Proficient

Soft Skills

- Effective communication and presentation
- Strong teamwork and collaboration abilities
- Problem-solving and critical thinking
- Time management and adaptability
- Self-motivated with continuous learning mindset

Additional Information

Military Status: completed
